

ENFASCO INC.
ENGINEERED FASTENER CO.

www.enfasco.com

Value Added Services

- Kitting -- custom kitting capabilities of any scope, hardware, tooling kits
- Precision Machining and Custom fabrication to print, prototyping, low rate initial production, and full production capabilities
- Sheet Metal Fabrication
- Ergonomic Surveys -- on-site tooling recommendations to eliminate work place injury and fatigue
- Certification -- installation processes
- Custom cutting tools -- overnight service available
- Custom Tool Boxes -- FOD Boxes
- Custom Material Handling Carts

Industries Served:

- Industrial • Aerospace • Aircraft • OEM • Military/Government

FASTENERS, MATERIALS, AND HARDWARE

PEM® brand fasteners-- self-clinching, broaching, flaring, surface mount, or weld technology-- providing strong, reusable, and permanent threads and mounting points in sheet metal.

Blind threaded inserts designed to install quality threads in various substrates commonly referred as rivet-nuts or nut-serts

Captive screws, rivet-less nut-plates, and panel fasteners for the aerospace and military markets

Adhesively bonded fasteners used on composite and metallic substrates to eliminate through hole and corrosive joints

Domestic manufacturer of light, medium, and heavy duty honeycomb fasteners. Manufacturer of Aerospace structural Blind Nuts Series WBN360 and WBN388

Manufacturer of hinges, latches, slides, catches, stays, and handles

PRODUCTS OFFERED:

MS27130	MS14210	M85069
MS27131	MS35914	M45938
NAS1329	NAS 1832 to 36	M63540
NAS1330	NAS 1056 and 57	MS3214
MS14200	NAS42 and 43	6000820

Howmet Fastening Systems Panel Fastener Series:
7500, 7900, 6010, 11438307, 10182440

Blind Nuts:
WBN360 (11438039 / 3264499) **Click Bond Series:**
WBN388 (10274114) CB, CN, CP, CS, JK

AEROSPACE AND INDUSTRIAL TOOLING

Ergonomic seating for manufacturing and assembly to improve productivity and safety awareness

Battery operated torque controlled and assembly tools

Quality tools for aerospace and aircraft production and maintenance

Aerospace tools including drill motors, rivet hammers, compression riveters, Spacematic® drilling equipment, and fastener installation tooling

USA Manufacturer of aerospace modular drilling and installation tools and kits

Innovative high quality fasteners, temporary fasteners and tooling for the aerospace industry

Torque tool specialists in hand tools, power tools, pneumatic tools, and torque analyzers

Pneumatic tooling for industrial and aerospace markets including drills, assembly, torque, finishing, and grinding equipment

Complete line of pneumatic tooling for assembly and manufacturing

Leader in the design and manufacturing of precision fasteners, fastening systems, and assembly tools. Serves both aerospace and industrial markets

Full line of custom Polycrystalline Diamond (PCD) and carbide tools including drills, reamers, end mills, port tools, and micro tools

Cordless line of Installation tooling for Aerospace Blind Nuts, Panel Fasteners, and Rivet-less Nut-plates

Building Simple, Durable, and Reliable Power Feed Motors

Aerospace Tooling

About Enfasco

Since 1978, Enfasco continues to be a major supplier of production fasteners, hardware, and tooling to the OEM, Commercial, Industrial, Aerospace, and Defense Industry. Enfasco also supports many distributors and Vendor Managed Inventories. Our inventory can be found on ILS, Parts Base, and www.enfasco.com. Our technical outside sales team is available to support and service all of the products we offer while our inside sales staff has extensive experience with our entire product line and are eager to respond to your specific needs.
